Welcome!

The LSA Communiqué is a quarterly electronic newsletter for local surety associations. Please forward this newsletter to your members, so they are aware of SIO publications and industry information of interest to them. If you have comments, suggestions, or LSA news to report, please contact [Stephanie Robichaux](#).

ENR PUBLISHES SIO SURETY SUPPLEMENT

Engineering News-Record published its special annual Surety Supplement in this year's June 30th issue. The supplement, managed by SIO, contains the standard Surety Market Report and Executive Perspectives, as well as articles on this year's theme, "Surety Bonds: The Assurance Taxpayers, Contractors, and Owners Need in an Uncertain Construction Market."

A PDF of the supplement is posted online at www.sio.org → surety professionals → magazine sections and supplements for download. A special thank you goes out to all of the executives who participated in the survey and to the authors who contributed content. This product could not be possible without the generous support and commitment from the surety industry advertisers.

FOCUS TURNS TO 2014 CONSTRUCTION EXECUTIVE SURETY SECTION

The ENR Surety Supplement is "hot off the press," and now focus shifts to the Associated Builders and Contractors' *Construction Executive* Surety Section. Planning and development of this special section has begun, and it will appear in the November issue. For more information about participating in this section, please contact Stephanie Robichaux at srobichaux@surety.org.

You may download an electronic version of last year's *Construction Executive* Surety Section on the SIO website (www.sio.org → surety professionals → magazine sections and supplements for download).

LSA Directory Update

SIO thanks LSAs for revising their officers' rosters for 2014. SIO maintains this roster online in its [LSA Directory](#), because hundreds of visitors to the SIO website access this directory throughout the year looking for local contacts for their surety questions or concerns.
