## ENR PUBLISHES SIO SURETY SUPPLEMENT

*Engineering News-Record* published its special annual Surety Supplement in this year's June 27/July 4 issue. The supplement, managed by SFAA,

contains the Surety Market Outlook and Executive Perspectives, as well as articles on this year's theme, "The Surety Industry: Thriving in a changing marketplace."

A PDF of the supplement is posted online at [www.sio.org](http://www.sio.org) → surety professionals → magazine sections and supplements for download. A special thank you goes out to all of the executives who participated in the survey and to the authors who contributed content. This product would not be possible without the generous support and commitment from the surety industry advertisers.

## FOCUS TURNS TO 2016 CONSTRUCTION EXECUTIVE SURETY SECTION

The ENR Surety Supplement is "hot off the press," and now focus shifts to the Associated Builders and Contractors' *14<sup>th</sup> Annual Contractor's Guide to Surety Bonding* Section. Planning and development of this special section has begun, and it will appear in the November issue. For more information about participating in this section, please contact Kate Woerheide at [kwoerheide@surety.org](mailto:kwoerheide@surety.org) or by visiting <https://ce.magazinexperts.com/2017-surety/>.

You may download an electronic version of last year's *Construction Executive* Surety Section on the SIO website ([www.sio.org](http://www.sio.org) → surety professionals → magazine sections and supplements for download).

## LSA Directory Update

SIO thanks LSAs for revising their officers' rosters for 2016. SIO maintains this roster online in its [LSA Directory](#), because hundreds of visitors to the SIO website access this directory throughout the year looking for local contacts for their surety questions or concerns.
