## SIO Partners with *ENR* to Publish Surety Supplement

SIO once again will team with *Engineering News-Record* to deliver the most widely distributed coverage of surety bonding of the year by producing its annual surety advertising supplement.

SIO develops the editorial content for the special surety supplement, which is slated to be published in the June 25, 2012, edition. Written by SFAA and NASBP staff and surety industry professionals, the surety supplement will feature an overview of today's surety marketplace and will contain articles on this year's theme: Surety and Infrastructure.

Full-page SFAA- and NASBP-member advertisers are entitled to participate in the "Executive Viewpoints" column. **The early advertising deadline to be included in this benefit is May 28, 2012.** NASBP and SFAA members enjoy discounted advertising rates. If your agency or company would like to be a full- or partial-page advertiser, please contact your *ENR* account manager or [Adam Palant](#), Inside Sales and *ENR* Special Sections Manager, at (212) 904-2669.

SIO has collaborated with *ENR* to develop the surety supplement since 1995. *ENR* distributes the issue to its entire 64,000-plus weekly paid subscribers as well as at the International Risk Management Institute (IRMI) Construction Risk Conference. Additionally, an electronic version will be available to view and download from the SIO website.

You may view and download the June 2011 surety supplement via the [SIO website](#).

## LSA Directory Update

SIO wishes to thank LSAs for revising their officers' rosters for 2012. SIO maintains this roster online in its [LSA Directory](#), because hundreds of visitors to the SIO website access this directory throughout the year looking for local contacts for their surety questions or concerns.
